**Dear Ms Katleen Adriaenssens,**

**Ref: Wolf Oil Request for Claiming Ford WSS-M2C913-D Specs for WOLF  
OFFICIAL TECH 5W30 MS-F using Infineum Formulation Code IME 0900712-A**

We acknowledge your claim of Ford WSS- M2C913-D Specs for WOLF OFFICIAL TECH 5W30 MS-F using Infineum Formulation Code IME 0900712-A.

However, please ensure that you adhere to these formulations including the additive types, additive treat rates and the base oils used for blending. Ford has the right to take samples, request analysis of the blends and have the right to ask you to remove the product from the market if requirements are not met.

Ford hereby excludes all liability whatsoever for our above acknowledgement and reserves our rights, as the testing has not been conducted by Ford and the acknowledgement was based only on the information provided.

**This acknowledgement from Ford in no way implies that Ford is recommending the oil. In no circumstances can any actual or implied recommendation be made to third parties.**

Yours sincerely,

**Suhair Abdelhalim  
Senior Lubricant Engineer**

**Rhys Davies  
Fuels and Lubes Supervisor**
